Commercial in La Romana €90,000

0	0	111m²	306m²	N/A

We present this warehouse located in the centre of La Romana, offering an excellent opportunity both as a storage space and as an interesting project for conversion into a residential property. The building has 111 m² of constructed area on a 306 m² plot, providing a spacious and versatile property with many possibilities. It benefits from mains water, electricity, and sewage connection, which makes any future renovation or development easier. Thanks to the size of the plot, there is the possibility to convert the building into a comfortable single-storey home, with enough space to create a beautiful private garden, terrace area, or outdoor leisure space. Its location is...(Ask for More Details!)
