Restoration Project with Potential in Salinas, Alicante This property offers an excellent opportunity for anyone looking for a renovation project with great potential. Set on a 2,300 m<sup>2</sup> plot, the main house features 7 bedrooms and 1 bathroom. There is also a swimming pool, which, like the house itself, requires complete restoration. On the grounds, construction has begun on 11 guest studios in the form of a long open concrete structure. This provides an exciting opportunity for future owners to finish the project and create additional accommodation, whether for family, rental income, or a small retreat business. Water and electricity are nearby and can potentially be connected, making the project more...(Ask for More Details!)
