Looking for your next renovation project? Look no further than this charming old country house with a great potential for a holiday home! With 114m² of built space and a sprawling 18847m² of land, the possibilities for this property are endless. While the interior of the house needs some work, it's easy to see the potential that lies within. With some careful planning and thoughtful renovations, you could transform this house into the perfect holiday retreat for you and your family. The land surrounding the property is truly breathtaking, with ample space for gardens, orchards, and outdoor entertaining areas. Imagine spending lazy afternoons lounging in the shade of the trees,...(Ask for More Details!)
