Property for complete restoration. What gives this property value is its location, very central, with the possibility of making three houses, or converting it into an idyllic property for its owner, as well as a B&B Hotel for guests. It overlooks three streets, and has a large facade, and an outdoor area, a patio on the property. The restoration you need is comprehensive. Complete. We specialize in Costa Blanca and Costa Calida, specializing in the regions of the interior of Alicante and Murcia, with a particular emphasis on populations such as Elda, Pinoso, Aspe, Elche, and surrounding areas. We are a well-established company, well known, and of great confidence that has...(Ask for More Details!)
