Discover this beautiful penthouse duplex that offers an unparalleled lifestyle. It features 4 bedrooms—two double and two single—ideal for families or guests. It has 2 full bathrooms: one en suite with a bathtub, and another equipped with a spacious, modern shower. The separate kitchen offers spectacular mountain views, while the spacious dining room opens onto a balcony perfect for enjoying the outdoors. The home features ducted air conditioning, ensuring maximum comfort. Making use of the space under the stairs, you'll find a practical storage room ideal for keeping everything organized. On the upper floor, there is an additional room perfect as a living room or extra bedroom. From here, you...(Ask for More Details!)
