This great town house, is located in Pinoso, in a very quiet area, but close to everything you need, shops, bars, parks . . . This house has two floors, each floor has an independent house. in the silver above is the main house. It has a large living room with fireplace, a large kitchen with space for a large breakfast table, this kitchen has a gallery and pantry. Also through the kitchen you have access to a large solarium from which you can see the mountains, and the inner courtyard that has the house on the ground floor. From the living room there is a corridor that leads to...(Ask for More Details!)
