Villa in javea

€1,295,000

6	5	398m²	3,559m²	N/A

We present to you a true jewel in the Mediterranean, just a short distance from all amenities. The property consists of two independent homes, with separate entrances and plots connected by a gate. The main villa is in a traditional Mediterranean style and is laid out as follows: Entrance hall, perfect for welcoming our guests. Living-dining room with a tuff fireplace with a wood burner, beautiful wooden beams on the ceilings, and access to a spacious open naya with lovely tuff arches and open views of the valley with the Mediterranean Sea in the background. The kitchen is large and open-plan, with a breakfast bar and access to a good-sized...(Ask for More Details!)
