Country House in Las Encebras €131,000

0	2	69m²	10,634m²	N/A

This charming country house in Pinoso offers a peaceful retreat surrounded by nature on a large 10,000 m² plot. The single-story home features approximately 70 m² of living ready for you to personalize according to your taste. The property stands on a gentle hilltop, granting stunning panoramic views of the valley and protected natural landscape. Privacy is guaranteed, with the nearest neighboring country home about 200 meters away. There is potential for expansion, as local regulations allow construction of an additional two-story dwelling covering up to 2% of the plot area. This flexibility means the property can adapt to your future needs and dreams. Location and SurroundingsLocated in Encebras, Pinoso,...(Ask for More Details!)
