Country House in Las Encebras

€155,000

3	1	217m²	1,235m²	N/A

Country house located in the quiet hamlet of Encebras, part of the municipality of Jumilla. The property is just 10 minutes from Jumilla and approximately 15 minutes from Pinoso, offering a peaceful rural setting with easy access to everyday services. The house is built on one level and offers a practical and comfortable layout. Upon entering, you reach the dining area, which connects directly to the garage. This is a spacious area with a fireplace and can easily be used as an additional living room or sitting area. The property includes three bedrooms, a full bathroom, and a separate kitchen. From the garage there is access to a large storage...(Ask for More Details!)
