Villa in Guardamar del Segura

€1,250,000

4	3	194m²	347m²	N/A

Situated on a 347m² plot, this contemporary villaâ€”built in 2019â€”offers a refined blend of modern architecture and comfortable living. Spanning 194m² across three levels, the home features four generously sized bedrooms and three bathrooms, with a layout designed for both privacy and functionality. The open-plan kitchen flows into the dining and living areas, creating a bright, spacious environment with direct access to the garden and terrace through large sliding glass doors, inviting natural light throughout the day. The main entrance is positioned on the north side of the property, while the garden and pool area enjoy a sunny south-facing orientation. Outside, the 36m² private swimming pool serves as a focal...(Ask for More Details!)
