Situated within the gated community of Papi Vera in the heart of Torrevieja, this fully renovated ground floor apartment offers an exceptional combination of modern design, generous living space, and a prime central location, all within walking distance to everyday amenities and the coast. The property has been completely refurbished to a high standard throughout, with every detail carefully updated, including a brand-new kitchen, modern bathrooms, new flooring, internal doors, fitted wardrobes, and contemporary tiling. A smart home system has also been installed, allowing convenient control of the LED lighting throughout the apartment, adding both comfort and a modern lifestyle touch. Upon entering, you are welcomed by a spacious entrance...(Ask for More Details!)
