The luxury apartments are divided into ground floor apartments with a garden or 1st floor apartments with a rooftop solarium, so you can enjoy the views of the sea and the horizon from Guardamar del Segura. These designer apartments are located a few minutes from the town of Rojales and are equipped with a private pool, private elevator, air conditioning, kitchen with appliances, interior and exterior LED lighting and common areas with fitness, barbecue, sauna, outdoor and indoor pool . and solarium with hammocks. The concept with sustainable design, high quality finishes and exclusive location makes it unique on the Costa Blanca.
