If you are looking to live in the best area of the Costa Blanca this villa is for you! We present this impressive villa located in a very quiet area of the Scandinavian area, very well connected to supermarkets, schools, shopping centers and other leisure areas. The Norwegian school is just a few minutes away. This Mediterranean design house has a south orientation, which makes it a very bright house. It has a plot of approximately 1200m<sup>2</sup>. The villa, which consists of about 800m<sup>2</sup> built, will provide a lot of privacy to the family living there, due to the configuration of the house and the fact that it is positioned...(Ask for More Details!)
