Rural Plot with Agricultural Warehouse and Natural Spring â€” Between Yecla and Caudete This 11,000 m² rural property offers a great opportunity for those seeking a quiet, spacious plot surrounded by nature. The main country house has been demolished, but a well-maintained 75 m² agricultural warehouse remains on the land, complete with a galvanized metal roof. The plot is planted with almond trees and features several pine trees that offer natural shade. It is not fenced, providing an open, versatile space ideal for horses, caravans, motorhomes, or agricultural use. A key feature of the property is its own natural spring, which supplies irrigation water to the landâ€”an asset for farming or...(Ask for More Details!)
